

WOMEN'S LEAGUE (GUESTS) – 2023

Membership is not required to join the Women's league at Wild Wood. All women are welcome!

Dates: Tuesdays, May 2 – September 19 (18 weeks of play, plus kick-off)*

Kick-off: Tuesday, May 2 with a 7-hole scramble at 5:00pm, dinner following play

Time: Make a tee time with the pro shop to play anytime Tuesdays with anyone you choose

Format: 9-holes**
Par points

Handicap: 100% (Optional - registration for a USGA handicap index encouraged but not required)

Special Events: See descriptions on next page.
Birdies – Keep track of any gross birdies you get all year on league day.
Ringers – Also known as "Your Ultimate Round". The Ringer Score is composed of the very best you've ever shot on each hole. The season-long Ringer Tournament is your lowest gross score on each of the 9 holes on league day. It's fun to see how you improve over the year!

* No league on July 11 or August 15 (Guest Days)

** Non-members may play 18-holes for an additional fee (payable each week in the pro-shop)

*** Cart fee for non-members is \$9 per week for 9 holes (payable each week in pro-shop)

**** One rain date is built into the schedule, additional league day rain dates will be given rain check

Rush, NY 14543

League – Tuesdays - May 2 – September 19 (excluding July 11 and August 15)

Our league is a team event, occurring on Tuesdays. Teams are randomly assigned by computer program, taking handicaps into account. Each Tuesday, ladies make their own tee time and play 9 holes with whoever they want. Score cards will no longer be printed each week. Ladies should pick up a score card in the pro shop each week and keep their gross score along with gross par points for each hole (100% handicap will be used in calculating the net par points). If assistance is needed, the pro shop staff will take care of it – just keep the gross score. Depending on the size of the teams for the year, the best 3-4 par point scores per team will be counted each week. There are no subs or make ups for missed weeks due to absence or weather. Most ladies play sometime between noon-1 or 3-5, but league is not limited to those times. Each week, ladies can opt-in to the weekly sweeps game, which will be posted in the pro shop at the start of the season (i.e. most fairways hit, least putts, highest par points, and other fun games).

There is a league kick off night on May 2 where teams play together in a 7-hole scramble and have a dinner to follow. Last day of league will be September 19. We will have a closing dinner on September 27.

Birdies – Tuesdays - May 2 – September 19 (excluding July 11 and August 15)

Keep track of any gross birdies you get all year on league day.

All you need to do is turn your scorecard in to the pro shop each week and they will take care of the tracking for you! Make sure you circle any birdies on your card.

- Birdies will be tallied throughout the league season.
- Everyone who joins the birdie tree gets a prize at the end of the season.

REMINDER: Birdies are tracked only on league days for the 9-holes assigned for league that week. If you decide to play 18-holes on Tuesday and get a birdie on the opposite 9, it does not count towards birdies. Birdies are not counted during guest days or any other time outside of the 9-hole league.

Ringers – Tuesdays - May 2 – September 19 (excluding July 11 and August 15)

Also known as "Your Ultimate Round". The Ringer Score is composed of the very best you've ever shot on each hole. The season-long Ringer Tournament is your lowest gross score on each of the 9 holes on league day. It's fun to see how you improve throughout the year!

All you need to do is turn your scorecard in to the pro shop each week and they will take care of the tracking for you!

REMINDER: Ringers are tracked only on league days for the 9-holes assigned for league that week. If you decide to play 18-holes on Tuesday, you do not record the second 9 for Ringers. Ringers are not counted during guest days or any other time outside of the 9-hole league.
